1 *Budget*Bill

BudgetBill allows you to pay the same amount every month for your LUS services. Your bill will be calculated based on your previous 12-month history, and will give you an averaged amount to pay each month.

To qualify for BudgetBill, you must be:

- A residential customer with a 12-month history at your current residence, and
- Your account must be current - no delinquent amounts due.

Accounts will be “trued up” at the end of each year, and the following year’s averaged amount will be adjusted if the account used more or less utilities.

2 AUTOMATIC BANK DRAFT

Considering BudgetBill? You may want to take advantage of the convenience and time of having your utility bill automatically deducted from your checking account by bank draft.

With this service, you will still continue to receive your monthly LUS utility bill showing your consumption level(s) and charge(s) for your records.

3 PAYMENT DROP BOX

In addition to paying your bill by mail or in person, LUS offers two convenient drop boxes, located at our Customer Service Center at 705 W. University, so you can pay your bill any day, any time:

- Drive-thru location
- Customer Service Center Parking Area
