

# Lafayette Utilities System

## **ELECTRIC, Residential non-city service: Schedule R10**

<b>Effective date: Nov. 2023</b>
----------------------------------

<b>Ordinance Section: 94-121</b>
----------------------------------

### **Availability:**

This rate schedule applies to electric energy supplied to residential customers of the Lafayette Utilities System who reside outside the corporate limits of the City of Lafayette.

### **Character of service:**

Single-phase, sixty hertz (60Hz), alternating current. Voltages shall be at the option of the system.

### **Monthly rate:**

The monthly rate shall be the sum of the following charges, effective with the **November 2023** billing cycle:

(1) Customer charge, per billing period:	\$11.00
(2) Energy charge:	\$0.05413 / kWh
(3) Fuel charge:	See Schedule FC
(4) Tax additions:	See Schedule X1
