

Lafayette Utilities System

WATER, Commercial non-city rate: Schedule W20

Effective date: Nov. 2023

Ordinance Section: 94-158

Availability:

This rate schedule applies to water used for customers of the Lafayette Utilities System with commercial service points outside the corporate limits of the City of Lafayette.

This rate is effective with the **November 2023** billing cycle.

Monthly commodity rate:

The monthly commodity rate is \$4.64 per 1,000 gallons.

Customer Charge:

In addition to the commodity rate, customers will be charged each month for service on the basis of meter size in accordance with the following schedule:

Meter Size (Inches)	Customer Charge
¾ or less	\$12.94
1	\$21.58
1½	\$43.16
2	\$69.06
4	\$215.78

Tax Additions:

See schedule X1.

Water service conditions:

The customer charge for water service shall be based on the size of the water meter required for serving the customer and shall be in conformance with the above schedule.

For customers with more than one (1) meter, the customer charge shall be the summation of the customer charges for each meter as set forth in the above schedule.
